"The Friendliest Little Club"

P.O. Box 497 Fairfield, CA 94533-0049

Dear Sponsor,

The Golden Hills Mustang Club invites you to be a part of our **34th Annual Biggest Little Car Show - Saturday, May 19, 2018** at the Waterfront in Suisun City, California. The Golden Hills Mustang Club, established in 1982, is a nonprofit organization that promotes the admiration, ownership, care, and maintenance of the Ford Mustang automobile, and is a regional club of the Mustang Club of America. Our show is dedicated to the fun of owning and showing the Mustang and vintage Ford product automobiles, including children's pedal cars.

Our car show is the club's most important annual activity, and a great deal of time and effort goes in to its planning and preparation. Each year the club solicits the donation of items from individuals and businesses for use as raffle prizes at the car show. A raffle is held throughout the day of the show, and a portion of the monies received from the sale of raffle tickets will benefit Pink Heals Solano, a non-profit organization which is raising awareness and support for men, women and children suffering from cancer.

The club solicits sponsorship of the awards given to winning participants of the car show, and small items to include in the participants' "goody bags."

We also offer advertising space on the back of the Car Show T-shirts.

Recognition of all sponsors is made to the show's participants and, following the show, in the club's newsletter and you will receive a copy of the donation form for your records.

We hope that you will want to be a part of our **34th Annual Biggest Little Car Show**. You may do so in one (or more) of the following ways:

- By sponsoring an award(s)
- By Purchasing advertising space on our T-shirts (Limited space available ask for details)
- By donation of a item(s) for use as a raffle prize at the show
- By donating small items to be placed in the participants' goody bags

Thank you for taking the time to consider us for donation. If you have any questions, please do not hesitate to contact our Car Show Chairperson:
